'Learning to **Value**  
Learning to **Give**

and **Grow** in the Peace of Christ'

# Community

I work with my family, teachers and friends.  
In school, we are one team, one family.

# Excellence

I try my best in everything I do.  
I take pride in myself, my work, my  
behaviour and conduct.

# Resilience

I believe in a "can-do" spirit.

I never give up.

I know how to seek help when I need it.

# Respect

I am honest in my speech and actions.  
I value the people and environment around me.

# Celebration

I can recognise my own achievements and  
the achievements of others.

I value other people, our similarities and  
differences.

# Aspiration

I set high goals for myself.  
I give my best in the things I do.
