# Autumn 1 Aspiration

I set high goals for myself.  
I give my best in the things I do.

# Autumn 2

## Respect

I am honest in my speech and actions.  
I value the people and  
environment around me.

# Spring 1 Community

I work with my family, teachers,  
leaders and friends.  
In school, we are one team, one  
family.

# Spring 2 Resilience

I believe in a “can-do” spirit.  
I never give up.  
I know how to seek help when I  
need it.

# Summer 1 Excellence

I try my best in everything I do.  
I take pride in myself, my work,  
my behaviour and conduct.

# Summer 2 Celebration

I can recognise my own  
achievements and the  
achievements of others.  
I value other people, our  
similarities and differences.
